

Where in the world....?

Acts 10

The Ultimate reason (the why?) for embracing the unreached is to bring glory to our God.

God's method (the how?) to achieve His glory among the nations has always been in the "GO."

1. God will prepare the way.

He will overcome difficulties despite our weaknesses.

He will prepare men's hearts.

2. God will honor His Word and accomplish His plan

He will work salvation.

He will multiply the harvest.

He will sustain what he builds.

3. God will glorify His name through our obedience.

Through the proclamation to the people.

Through the worship of the church.

Through the praises of eternity.
