### **Faith Sheet This Week**

1. What are the easiest discussions in life for you to get excited about and want to share with others? What are some of the hardest?
2. Why do you think we so instinctively desire to share our experiences with others?
3. Why did Jesus choose to appear first to the women rather than appearing directly to the disciples?
4. Why is joyful worship and awe a necessary part of our mission to share the good news of Jesus' crucifixion and resurrection?
5. How does Jesus' glorified body help us understand part of the end goal of the salvation of His people?
6. Why is the resurrection such an important part of the proclamation of the gospel of Jesus Christ? How do we get to the point of speaking of the resurrection in a conversation? Review the four Gospel conversation goals and discuss how we can assist each other in these goals. Pray for someone who needs Christ.
